SMALL GROUP AND DISCUSSION QUESTIONS

These questions are designed to extend the impact of the Sunday gathering. Use them to go deeper in your personal study time, with your family, and/or with your Life Group

1. Which part of the message was most impactful for you and why? Which part of this passage is easiest for you? The hardest?
2. We asked, "When life feels 'out of balance,' how do you feel? Tired? Distracted? Frustrated? Empty? Lonely? Angry? Withdrawn? Guilty? What was your answer? Why?"
3. How do you discern between a good opportunity and God's calling?
4. Share a story of a small moment (conversation, prayer, gesture) that ended up being really meaningful. How can we train ourselves to see these little opportunities as something God can use?
5. If someone looked at your calendar or weekly routine, what would they say your priorities are? Where do you see a gap between your "intended priorities" and your "actual time spent"?
6. How would your weekly schedule look different if you planned it with eternity in mind? What's one thing you could do this week that will matter 10 years from now, or even in eternity?

God, You are a God of balance, perfectly causing all things to work out exactly how You design them. Thank You for giving me grace when my rhythms are messed up. Help me to make the most of every opportunity, giving me wisdom as I choose between the temporary and the eternal. Thank You for making all things beautiful in Your time. In Your Name, amen.
