By my Love I enter Cannan from wil - der-ness;

1 2 | 3 2 | 1 6 | 5 5 5 | 1 · 1 | 1 - | 1

By my Brother I con-quer gi-ants and for-tress;

Faith as my shield rid the devil's missiles,

1 2 | 3 2 | 1 6 | 5 5 5 | 1 · 1 | 1 - | 1 ||

By my Lord I over-come the world, sing and smile.

2. He holds my hand through all dangers, waters and flames;
His rod and staff guide and protect me all the way.
The Lord loves me, and I love Him dearly!
How warm and sweet He embraces me all my life.
3. His love and grace pave my journey of sores and cheers;
For His love I follow firmly with thankful tears.
How I long to see my Lord with my eyes!
How I long to abide with my Lord forever!
