

One Day the Lord Will Come

1. One day the Lord will come,
To take me to the clouds;
That day He'll wipe away my tears,
I'll dance and sing aloud.

Chorus:

O' Lord, I love You. My heart longs for You.
Gladly waiting for that day,
I'll see Your glorious face.

2. One day the Lord will come,
To transform my body.
To be like His form of glory,
How wonderful and free!
3. One day the Lord will come,
I'll marvel and rejoice.
To see my Lord's glorious face,
Shall be my spring of joy.

4. One day the Lord will come,
Take me to Abba's home.
I'll see His wondrous love design,
For me the new abode.

5. One day the Lord will come,
Gone all sorrows and tears!
I'll drink from the river of joy,
Enthralled in His love.

6. One day the Lord will come,
Crowns, rewards to present.
We'll reign fore'er, His government
Will increase with no end.

7. One day the Lord will come,
He is my hope so blest,
There'll be new heaven and new earth,
In which dwells righteousness.
