 I strive on! O' Lord, for You I live.

2. I strive even in doubts and worries;
 Let You comfort my heart.
 I strive mid the storms of temptation.
 Lord, keep my heart sincere.
 I strive in the days of afflictions;
 My love to You I give.
 I strive on! O' Lord, for You I live.

3. O' Lord, I know that You love me,
I have captured Your heart!
How precious Your favour, tender love,
That's why I'm striving still!
Forget not You chose, commissioned me;
I'm glad to know Your will.
I strive on! O' Lord, for You I live.
