

Summer of Us

Pieces

Discussion Questions:

3. What are some healthy communities you've been a part of? What are some unhealthy ones?
4. We have all had messing seasons in our lives. What messing seasons have you had that looking back, God was able to clean up and use for something good?
5. Dave talked about different pieces we hold onto like anger, bitterness, secret sin, competition and hurt. What pieces (doesn't have to be one listed) do you need to surrender to God?
6. Over time and with the help of others, Jesus can take our mess and turn it into a miracle! How can we help you surrender your pieces?
