

BIG Rocks

Love God

INTRODUCTION

In Matthew 22, Jesus laid out the three “big rocks” on which our faith rests. If we build our lives around these three, we’ll find that everything else just shakes into place. In part one of this three-week sermon series, uncover the first foundational truth that can uncomplicate our faith - Love God.

DISCUSSION QUESTIONS

1. Are there things that if you don’t do them early in the day, you may not ever get to them?
2. What would you say are the BIG Rocks in your life? Does your allotment of resources (time, energy, money) support that?
3. What are some things that bring you joy in life?
4. If loving God is the BIGGEST Rock, what would it look like for you to make God the **primary** pursuit and desire of your life? How would your life be different than it is now?
5. God wants us to love Him exclusively and completely. Is there a part of your life that you are reluctant to give up to God? If so, what keeps you from giving it up?
