

## I Love JC

## I Love JC But...

---

You say you love Jenks Church, but do you have a plan to financially support it? 75% of average church goers don't have a giving plan. Often times we put off giving with excuses like "I'll give when..." or "They don't need my money." When you don't give, you are missing out on partnering with God's work through a local church.

### Discussion questions:

1. **What is your most meaningful possession (sentimental)? What is your most valuable possession (monetary)? How easy would it be to part with each one?**
2. **What is your biggest motivation for giving (think giving in general, not just church)?**
3. **Why do you think it is so awkward to talk about money (specifically giving/tithing) in church?**
4. **What types of blessings have you seen come from tithing?**
5. **Has giving been a way of praising and worshiping God for you personally? Why or why not? If so, how has it brought you closer to God?**
6. **If like in Acts 4:32-35, we made every effort to make sure there were no financial needs among those who attend our church – how do you think that act of love would be perceived by the world around us?**
