

## *Summer of Us*

### Together

---

Everyone faces currents in their life dragging them toward laziness and selfishness. Living vertically for God means gathering continually to spur on one another. Learn why we need a team effort to make gathering a priority to stop ourselves from drifting in our faith.

#### **Discussion Questions:**

1. What are some of your favorite teams/groups/gatherings have you been a part of and why?
2. How has your walk with Jesus benefitted from being in a community?
3. In the message, Dave talked about the team effort of cheering each other on. How have you seen or experienced this at Jenks Church?
4. What “currents or tides” do you have to fight against in order to gather together?
5. What can we as individuals and as a group do to help others feel valued and connected to our church family?
