

Trusting God's Promises

INTRODUCTION

The world is out of control, but we know the God who is in control. When you can't see the hands of God, you must trust the heart of God.

Discussion questions:

1. Has someone ever made you a promise that seemed too good to be true?
2. What are some of the promises of God in scripture that you lean on in difficult times?
3. Share with the group a time (past or present) that you found yourself in the middle of "IT".
4. Has there ever been a time in your faith journey where, like Mary and Martha, you knew Jesus loved you but He didn't seem to be present when you needed Him?
5. Dave asked us, "What areas of our lives do we need to trust and apply this promise?" What area is it for you?

For question #2, there may have been little or no verses known by heart. If so, challenge your group to read and find promises of God in Scripture. Comply a list and share it with the group this week.
