

Unapologetic Preaching

Preaching the authority of God's word without apology, in the power of the Holy Spirit, brings glory down in the church.

1. What emotions do you think of when you hear the word preach? Why?
2. Think about your favorite sermons or preachers: What did/do you like most about those/their messages?
3. Have you ever heard someone or have you ever apologized for a difficult biblical teaching?
4. How have you been impacted by the ministry of preaching in local churches?
5. What are the differences between proclamation and discussion in a local church? What are the advantages of each experience?
6. When we attend a sermon, what steps can we take to make the most of that experience as individuals? How can we make the most of that experience corporately?
