

# GO & TELL

## INTRODUCTION

Personal evangelism isn't about forcing or manipulating a conversation. In this message, Dave explains how to join in a conversation God is already having with someone.

## DISCUSSION QUESTIONS

1. What is something you believe is important to do...but you don't do it?
2. What are some of your reasons for not more regularly sharing your faith with others?
3. How often do you start your day asking God to align your heart to His and to give you opportunities to share His story? What would your days look like if this became an everyday prayer?
4. Are there people in your life that you know need to hear about the goodness and greatness of God, and yet you haven't taken the opportunity? Why not?
5. During the message, Dave said, "Preach the gospel at all times, and use words when necessary." Do you find it easier to live out the gospel or tell people about the gospel message? Why?
6. Who is your one? The one person you want to share your faith with. As a group compile list and commit to prayer daily for open doors until the opportunities arise.
