

LIKE A GOOD NEIGHBOR

THE ART OF LOVING MY NEIGHBOR

INTRODUCTION

Jenks Church exists for the glory of God and the good of our city. We are called to love our neighbors. We do that best when we love where we live, and use our relationships as opportunities to point others to Jesus.

DISCUSSION QUESTIONS

1. What is something that you have loved recently and recommended to your friends? Or something you've been dying to tell us about?
2. How did you end up attending Jenks Church? What drew you there?
3. What has been the most important aspect of being part of our church?
4. What needs have been met since joining JC that weren't being met before you became a part of our church?
5. Have you ever lead someone into faith? If so, share.
6. Who is one person that you can lead into faith or at least invite to church? What is one thing that is holding you back from inviting them?
7. What is one thing you can do this week to build more relationship equity in that person? How can this group support you?

LEADER NOTE: Dave announced today that we are beginning to plan to eventually go to two services. If time allows, take note of any concerns or questions you group has and share those back with Dave. We want to be as sensitive and prepared as we can be as we make this transition.
