

INTRODUCTION

Jesus is the True North. But how many times do struggle to find our way, the right way. That's why Jesus sent us a "compass" His Holy Spirit. In the end, the difference in finding the path that seems right and the path that is right, comes down to keeping Jesus as our True North and asking the Holy Spirit to guide us in His direction.

DISCUSSION QUESTIONS

1. Have you ever used a compass? Tell us about it.
2. When you are "lost" (uncertain where to go) in life, how do you find your way? What tools or people do you typically use?
3. John 16:8 tells us that one of the main jobs of the Holy Spirit is conviction; share about a time or situation that you felt the Holy Spirit convicting you.
4. What area(s) of your life do you need to "lean in" to the Holy Spirit's guidance?
5. What ways do you currently "listen closely" to the Holy Spirit? What are some helpful suggestions you could give to those who struggle with listening?
6. Take some time as a group to "look up" and pray. Pray for direction, for answers, for help, for whatever the needs of the group are. OR allow the group members to pray for one another. However you do this, use the time to encourage through prayer.
