

YOU'VE GOT WHAT IT TAKES

To Do Something Great

INTRODUCTION

No matter where you find yourself in life, you've got what it takes to do something GREAT! It starts by finding your identity in Christ, being available to God and surrendering control to Him. He's not looking for people with tremendous ability. He's looking for people who are available!

DISCUSSION QUESTIONS

1. Were you in band? Do you play an instrument? (Give everyone a chance to share)
2. Has there ever been a time when you weren't pursuing God, but He pursued you?
3. What are some of the ways/groups our culture identifies us?
4. Dave shared a list of identities God gives us – Redeemed, Valuable, Important, Empowered, Gifted, Wanted, and Secure: Which of these resonated with you the most?
5. What areas of your life have you been “unavailable” to God?
6. If you surrender to Him, God can use whatever is in your hands or He may be asking you to simply hold your position so that He can finish a work that He started. If you do, what “something great” can God do through you/this group? (Don't answer in generalities – be specific, put a name on it, make a plan, do something GREAT!)
