The Best is Yet to Come

The BEST is yet to come! God has even better days ahead for Jenks Church! Whether it's a good season or bad, remembering this will help you continue to pursue God's plan for your life. There is a prize to be won but to get it we must forget what's behind, strain ahead, and press on.

Ice breaker: What is your favorite story on perseverance/endurance?

Discussion questions:

1. We all have a past filled with scars (bad) and stars (good). Share with the group a scar that you have had to overcome or are still struggling to overcome. What is a star that was produced through a scar (something now good that resulted from a past struggle)?
2. In Philippians 3:13 he says, "Forgetting what is behind..." How hard is that for us to do? Why?
3. Part of straining ahead is making a decision to refuse to be in the same place next week, month or year as you are today. What is at least one area in your spiritual life that you refuse to stay the same in and what will you have to do to start growing in that area?
4. Pressing on requires us silencing the distracting voices. What is that "voice" that you to tell "Shhhhh." And just keep running?

Media challenge

We are asking everyone that has social media (facebook, twitter, Instagram, etc.) the take time every day this month and post one thing each day that you love about your church. Then end your post with #ilovejc

Let's keep creating some excitement and celebration about what Jesus is doing at Jenks Church.
