Saved People Serve People

Saved people serve people so that served people would become saved people. Not everyone who is a servant is saved, but everyone who is saved is a servant. "For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do." Ephesians 2:10

Discussion questions:

- 1. Celebration leads to replication. What are others hearing you celebrate? What do you need to do a better job celebrating?**
- 2. We demonstrate our love for God by loving our neighbors as ourselves. Would your friends, coworkers, and/or family say they felt loved by the way you served them this week? Why or why not?**
- 3. What are some objections you have used to resist serving others?**
- 4. Have you ever served someone even when you didn't want to or where even upset with them? How did serving them change your attitude or view toward them?**
- 5. Think about those who have served you in the past. How is your relationship with Jesus different because of the way that person served you?**
- 6. Saved people serve people so that served people would become saved people. What's one way you can remind yourself to serve people like you're working directly for God?**

Challenges:

We are asking everyone that has social media the take time and post one thing each day that you love about your church. Then end your post with #ilovejc **AND....**Make sure you are inviting friends, family, coworkers, neighbors, strangers, whoever to one of our Ester services! Grad the invite cards form the church and share them with everyone!
