

Summer of Us

Mission

The reason we gather as the church is to point to the glory of God. First and foremost, the Church is for God, not people. Find out how a vertical church is the only way to ensure saints and sinners get everything they truly need.

Discussion Questions:

1. Did you grow being made to go to church? If so, what did you enjoy about it? What did you not enjoy?
2. What are some of the weirdest or most confusing things you've seen or heard in church?
3. What are some benefits of the "church for saints" or discipleship model? What are the negatives?
4. What are some benefits of the "church for seekers" or seeker sensitive model? What are the negatives?
5. What are some of the things you have exchanged glory for and stopped living vertically?
6. Since the beginning of time the enemy has hated two things: worship and the Word of God. What do you need to do in order to worship and spend more time in God's word? How can this group help you?
