

YOU'VE GOT WHAT IT TAKES

To Take Your Next Step

INTRODUCTION

You've got what it takes to take your next step in following Jesus. For some your next step is baptism. Following Jesus is personal, but it is not private. Baptism is an outward reflection of an inner connection with God.

DISCUSSION QUESTIONS

1. What “jerseys” (figuratively or literally) have you put on in your life?
2. What are some reasons we may not want to be identified as part of “the team”?
3. If you grew up going to church, talk about your perceptions of baptism and whether they were influenced by a particular tradition. If you didn't grow up going to church, what did you think of baptism?
4. If you've been baptized, talk about your experience. Were you nervous? How did it benefit you?
5. If you haven't been baptized and gone public for Jesus, how do you think your story of coming to faith in Jesus might benefit others?
6. Would you be willing to share (publically or semi-publically) your baptism story? If so, please email Dave with a list of all those willing or at least interested in the idea. Thanks
