A SERIES ON MARRIAGE

The background of the image is a dense, close-up pattern of dark red roses. The petals are tightly packed and layered, creating a complex, swirling texture. The lighting is soft, highlighting the edges of the petals and giving them a slightly glossy appearance. The overall color is a deep, rich red, with some darker shadows and lighter highlights on the petals.

1. Mirror God's Image

- Mirror his image
- To reflect, to magnify, exalt, and to glorify him.
- We were made in his image.
- Our marriages have been created for something bigger than our personal happiness.

2. Mutually complete each other & experience companionship.

3. Multiply a Godly Legacy

- A line of godly descendants who will carry a reflection of God's character into the next generation.
- Our homes should be a greenhouse— a nurturing place where children grow up to learn character, values, and integrity.

Billy Graham

“The greatest legacy one can pass on to one’s children and grandchildren is not money... but rather a legacy of character and faith.”
