Connect Groups

A great way to connect, grow, build relationships & encourage one another! If you need help finding a small group, check Adventure Connect Groups on your connect card.

Teen Mother Choices

With all of the craziness of our recent pandemic, we've been re-tooling our Teen Moms HOPE program to more safely and better meet the needs of teen mothers in Kankakee County. Lori Vincent, our program director has recently undergone significant training and very soon, we'll be rolling out a completely re-imagined and more effective ministry program.

With the launch of Teen Mother Choices of Kankakee County just a few months away, we have many exciting opportunities for you (the church) to be either directly or indirectly involved! Please connect with Lori Vincent, our program coordinator and she'll provide you with an opportunity for how you can be involved.

If you don't give intentionally & regularly in your finances, step up to the plate. God promises us in his word that we can never out give him. He even asks us to test him to do this.

As a reminder to our congregation of what it means to be generous, the following ways are available for you to return a portion of our financial resources to God through the ministry of our church.
