Bible engagement is the single greatest predictor of spiritual success. Yet, for many, the Bible is such an intimidating book! Not only is it a pretty big book, but the first thoughts many people have when they open it is, "Where do I even start?" Core52 eliminates those barriers and gives you the tools to master them.

**What is Core52?**

- The Core52 book identifies the 52 most influential verses of scripture and provides a brief essay for each verse, tracing it them through the entire Bible.
- The Core52 videos are 5-6 minute summaries of why each verse contributes to your faith journey. These can be used for individual consumption or to engage group discussion.
- The Core52 website offers further resources for group discussion questions to encourage, coach, and help you track your progress.

Here at Adventure, we want to equip you with multiple avenues for engaging Core52. Books and more information will be available in the lobby. Stop by the table in the lobby to pick-up your copy. Student editions are also available for Students/Teens.

If you don't give **intentionally & regularly** in your finances, step up to the plate! God promises us in his word that we can never out give him. He even asks us to test him to do this.

As a reminder to our congregation of what it means to be generous, we have several opportunities for you to return a portion of our financial resources to God through the ministry of our church.
