Connect Groups

A great way to connect, grow, build relationships & encourage one another! If you need help finding a small group, check Adventure Connect Groups on your connect card.

Teen Mother Choices

With all of the craziness of our recent pandemic, we've been re-tooling our Teen Moms HOPE program to more safely and better meet the needs of teen mothers in Kankakee County. Lori Vincent, our program director has undergone significant training and very soon, we'll be rolling out a completely re-imagined and more effective ministry program.

With the launch of Teen Mother Choices of Kankakee County happening in the future, we have many exciting opportunities for you (the church) to be either directly or indirectly involved! Please connect with Lori Vincent, our program coordinator and she'll provide you with an opportunity for how you can be involved.
