Over the next month, we will be hosting Gymnastic Meets in the Adventure Commons. We will need volunteers to help us host and provide a safe environment. The Gymnastics events will be smaller groups but over more days. Between their extra steps of cleaning their equipment and our continual sanitizing of surfaces, door handles, railings, and other touch points, we will have more volunteer opportunities than ever. As we are doing this

We will also be Reaching Those Far From God, Influence Our Community, Develop Reproducing Disciples, Support Church Plants, and Have Fun in a safe and clean environment.

If you don't give intentionally & regularly in your finances, step up to the plate. God promises us in his word that we can never out give him. He even asks us to test him to do this.

As a reminder to our congregation of what it means to be generous, the following ways are available for you to return a portion of our financial resources to God through the ministry of our church.
