

Work That Faith

“for the material they had was sufficient and more than enough to do all the work.”

Exodus 36:7 AMP

Jesus, did You already given me confirmation to move or am I still remaining where I am out of fear?

I know ‘faith without works is dead’ but

I don’t want to do the wrong work.

I know You've placed this **vision** inside of me & given me what I need to take the first step but I’m really unsure about these steps. Being a God of clarity & confidence, I know You are putting me on the right path as I pray to You because You wouldn't let me envision it if You weren’t gonna give me what I needed.

As I pray right now, I believe You will give me signs. Even though the vision inside of me is **BIG** & sometimes scary, I know it's been placed inside of me by You for a reason.

Bless me with divine execution that's covered by Your grace & rooted in unwavering faith, so I'm in alignment with Your will. I trust the resources You've placed at my feet.

Help me be a good & faithful steward & ignite my creativity for my unique calling.

In Jesus name I pray,

Amen!
