

A New Thing

- 18 “Do not remember the things that have happened before. Do not think about the things of the past.
19 See, I will do a new thing. It will begin happening now.”

Isaiah 43:18-19 NLV

Jesus, thank you for promising me all things will work out when I believe in You & thank You for being with me **through** all those things.

Right now, I'm realizing that without the pain I endured, I wouldn't appreciate the joy You give & without the struggle You allow, I wouldn't appreciate the strength You provide. I know I'm human so that comes with its' own struggles but the battles I'm facing are distracting me from **praising** You.

Honestly, it feels like a war between my flesh & my spirit that I can't control but I know You can settle me through all of it. The person I'm becoming is ready to shift for Your glory! I want the power that comes from being led by Your Spirit. Give me **everything** that's birthed from being renewed by You! I thank You in advance for making me wiser & stronger. I was made to overcome the battles

I face by Your grace!

Today, I'm increasing my faith! Shift me, Lord!

In Your name I pray,

Amen.
