Stewardship Minute

by Mike Reed

I'm teaching Joshua in The Rock Life Group. Since Chapter 1, Verse 1 I have been anticipating the battle of Jericho. As a child that is what this book was all about (in my mind), "Joshua fit the battle of Jericho and the walls came tumbling down", but God has given me a different perspective in this study, as He always does. The first chapters are not about the battle of Jericho, they are about God preparing His leader and His people for a new life in Him. He is consecrating His people. They are not sharpening their swords but sharpening their relationship with Him. The battle is a foregone conclusion, and it can be that way with us. Prepare in prayer, meditate on the Word, be in fellowship, follow His ways. The battle belongs to the Lord, He has given you the victory. Live in it.
