This Sunday the Finance Committee will present the 2023 with and emphasis of making Jesus know to our community. Each of ministries has included this emphasis in the events, activities and outreach. The finance committee has reviewed and interviewed leaders to ensure we are pulling together in one Spirit, united in Christ. You may note one problem, our income does not support our plans, at least not yet. I believe God will provide everything we need and even more and He will allow us to join Him. What a gift to participate with our redeemer in making disciples. To God be the glory.

Budget Need YTD: \$ 966,869.00

Actual YTD: \$ 860,911.37
