## Stewardship Minute

by Mike Reed

You will have many choices in 2023. One very fundamental choice is faith or fear. We intuitively know the right answer, but we often don't live like it. Whatever we face, God is greater than all our fears. Our God is greater than any giant real or imagined. Whatever we need, God will provide. I pray that God will teach me daily to live by faith and not by sight. I will let my next choice be Him.

It's too early to provide meaningful offering numbers. Have a Blessed New Year!
