

Strategic Planning Forum

June 12, 2022

We need you to help our Strategic Planning Team's discernment around 5 key values our council has identified as the core to who we are at CLC.

The Five Values Identified by Council

1. Ministry Across Generations

We treasure the fact that all ages are called to follow Jesus together. We want worship, growth, and service to be for all ages, and we seek opportunities to build relationships across generations.

2. Service/Social Ministry

We know that following Jesus calls us to love our neighbors in tangible ways. We work together in meeting the needs of our local neighbors, partnering with ministry/service organizations to make a wider impact, and growing in our understanding of justice locally and globally.

3. Welcome and Community

Christ Lutheran is a place of welcome and connection, diverse in our community and in our leadership. We expect that Jesus will meet us when we “come as we are,” and we respect one another across our differences. Together we build relationships that help us grow in faith and to support one another.

4. Worship and Music

At CLC we take worship seriously but don't take ourselves too seriously. We draw on the richness of the historic liturgy and gather at God's table weekly. At the same time we seek out new ways to hear the word, pray, and sing. Music is central to our worship and we look for ways to invite the participation of as many as possible in worship leadership.

5. Growing Deeper (Faith Formation)

The good news of God's grace is at the heart of who we are. We come hungry to hear preaching that roots us in God's grace; we trust this grace enough to bring our struggles, big questions, and doubts. Individually and as a community, we expect faith to involve learning and growth; we are not afraid to engage in difficult conversations because we trust that the Holy Spirit is at work.
