

## **Fresh Air: Reviving The God Dream!**

Nehemiah 2:11-20

A God Dream is a desire to see something change, something happen, something big, something great, something only God could do!

Nehemiah received **permission, provisions, protection, and letters of Passage from the King, by the power of God.**

*It's one thing to have big aspirations for God to do something great....It is another thing to grasp it with great intensity and allow God to bring it to pass through the power of the Holy Spirit.*

### **1. A God Dream Must include the Element of the Supernatural!**

- A true vision from God must leave room for the supernatural.

What is your God Dream?
