

## Summary

This sermon focuses on the Last Supper and the Passover meal, examining what was literally and symbolically on the table during Jesus' final meal with his disciples. Pastor Chris explores the seating arrangement at the triclinium table, highlighting how Judas sat in the seat of honor while Peter sat in the servant's seat. The message centers on two main elements from the Passover meal: the lamb and the unleavened bread. The lamb represents Jesus as the perfect, spotless sacrifice who took our judgment, while the unleavened bread symbolizes His sinless nature. The pastor emphasizes that leaven represents sin, which works quietly and spreads destructively, while Jesus remained pure and without blemish.

The sermon includes powerful testimonies of recent healings, including a woman with stage four cancer who was completely healed and a man with ALS who is experiencing improvement through both medical treatment and faith. Pastor Chris concludes with the story of leading a pilot to Christ on an airplane, emphasizing that salvation can happen anywhere and that we shouldn't delay accepting Jesus. The central message is that Jesus is both the Lamb of God who takes away sin and the Bread of Life who sustains us, and we must not just admire Him but receive Him personally.

## Intro Prayer

Heavenly Father, we come before You with grateful hearts, thankful for Your Son Jesus who gave His life for us. As we gather together to study Your Word and discuss what You have for us today, we ask that You open our hearts and minds to receive what You want to teach us. Help us to be honest with ourselves and with each other as we explore the depths of Your love and grace. Holy Spirit, guide our conversation and help us to apply Your truth to our lives. We surrender this time to You and ask that You would speak to each person here according to their need. In Jesus' name we pray, Amen.
