

## Welcome Everyone... this is A New Day!

I know what I should do... give me a moment... there—the lights are turning on.

**What just happened:** I'm the same person, I'm at the same place, I'm doing the same thing—but the one thing that changed everything is LIGHT.

**John 1:5** *Christ's life is the light that shines through the darkness—and the darkness has not overcome it, understood it or grasped it (to lay hold of with the mind-heart-will); to understand, perceive, learn, comprehend - referring to both the life and light of Christ).*

**This message** will help you to understand and help you to practice bringing the power of light into and overcoming darkness.

A child and a dark room: There is fear, panic, agitation, dread and deception. Let's change one thing about this situation—let's bring light into the darkness. Now there is calm, the warmth of peace, awareness, perspective, truth and the heart of understanding bringing rest.

**Psalm 27:1** *The Eternal Lord is my light amidst my darkness and my rescue in times of trouble. So whom shall I fear? He surrounds me with a fortress of protection. So nothing should cause me alarm.*

So what would happen if you brought the Lord's Life and Light to the darkness of...

1. Your trouble?
2. Your panic and pain?
3. Your brokenness?
4. Your decisions?
5. Your work?
6. Your finances?
7. Your sins?
8. In your marriage, your family, your next gathering?
9. Your hopes, dreams and future?
10. Your darkness?

**let's bring life and light of Christ into the darkness.**

Now there is calm, the warmth of peace, awareness, perspective and the heart of understanding

**Psalm 18:28** *You are the lamp who lights my way; my Eternal God, lights up my darkness.*

Christmas: Jesus, the life and light of the world—overcoming all darkness.

**Psalm 67:1** *May God pour His grace and blessings into you and turn His face to shine His light on you.*

# LIGHT in the DARKNESS
