## Olive Crest: Strong Families, Safe Kids

Strong Families is a ministry that connects churches with vulnerable families in their community. An approved "host" family in the church provides a temporary safe place for their children to stay while they work through a difficult or crisis situation. Other members of the church support the host family. Scan QR code to find out how you can be involved.

We encourage you to take a moment and fill out a Connection Card so that we can get to know you a little bit and answer any questions you may have about our church family.
