The background is an abstract, painterly composition. It features a central, somewhat indistinct figure that appears to be a person, possibly Jesus, with long hair and a beard, wearing a white garment. This figure is set against a backdrop of swirling, textured colors in shades of teal, green, orange, and brown. The overall effect is ethereal and artistic. Overlaid on this background is the text 'JESUS FIRST' in a large, white, outlined serif font, centered horizontally and vertically.
