

# Ancla de Amor

May 9, 2021

**After watching the Ancla de Amor update video, have a conversation with your family/small group about how you can be caring for and supporting the people who need protection where you are. If you need a place to start, go through the following questions:**

## DISCUSSION QUESTIONS

1. What struck you about the story that Brian and Clarissa shared?
2. Do you have any connections to orphans, widows, the poor, or new immigrants?
3. What would it look like to bring God's blessings to the marginalized and vulnerable where you are?
4. What money, time, or other resources do you have that could be put towards helping those in need?
5. Who can you partner with (organizations or individuals) to help the hurting and broken in your community?

## LISTENING

Have someone in your group share something about their week. They could answer one of the following questions:

- What was a big challenge or problem you faced this week? How did you handle it?
- Where did you experience God this week? Or where do you wish you had experienced God this week?
- Based on your life experience this week, what do you think God is trying to teach you right now? What is He trying to build in you?

After the person shares, the group can respond. Make sure you let them know you heard them: tell them what you heard, offer wise advice where it's asked for, share from your own experience as well.
