

# We Love to Serve

May 16, 2021

**After tuning in to the service, have a conversation with your family/small group about serving in the Church. If you need a place to start, go through the following questions:**

## DISCUSSION QUESTIONS

1. What stood out to you from the service? What story resonated with you the most?
2. What stories do you have of how serving or being served?
3. How have you experienced someone being the physical presence of Jesus through serving? How has Jesus used you as His physical presence?
4. How have you encountered Jesus and learned more about Him by using your gifts to serve others?
5. What are your gifts, passions, and abilities? How could God be wanting to use those to serve His Church and our community?

## LISTENING

Have someone in your group share something about their week. They could answer one of the following questions:

- What was a big challenge or problem you faced this week? How did you handle it?
- Where did you experience God this week? Or where do you wish you had experienced God this week?
- Based on your life experience this week, what do you think God is trying to teach you right now? What is He trying to build in you?

After the person shares, the group can respond. Make sure you let them know you heard them: tell them what you heard, offer wise advice where it's asked for, share from your own experience as well.
