

The Problem of Communication

How does the Invisible God, who is Spirit, communicate His love for us?

He spoke to the Israelites, He told them who He was, but they couldn't quite grasp it, and the temple and sacrifice system was corrupted, they lost sight of who God was.

A Personal Conversation

Why a baby? So He could identify with everything we go through as people, and so that He could communicate His love to us personally.

Why did Jesus have to die?

- The magnitude of our sin was immense. We daily act against the Author of our very lives. And so we deserved death, but the same Author of life decided to die in our place
- Love must be shown to be known. Love requires sacrifice. The greater the love, the greater the capacity for sacrifice. God loves the world so much, that He sacrificed Himself to save the world

We needed to see it to believe it.

Did you Get the Message?

Jesus came so that God would be able to tell us and show us how deeply He loves us.

Have you accepted and responded to that message?
