INTRODUCTION

Why is the family such an important part of society? What does a healthy family look like and what values do you want to embrace to make your family stronger?

GETTING STARTED

1. Share some memories of your favorite family vacation. Who went with you? What made it so special?

FROM THE SERMON

2. Look back at your notes from this week's teaching. Was there anything you heard for the first time that caught your attention, confused you, challenged you, or made you curious?
3. Read Genesis 2:18-22. Why do you think it is not good for a man to be alone? What is the significance of using Adam's rib to form Eve? What benefits come from the union of Adam and Eve? What are the similarities to marriage today?
4. Read Deuteronomy 6:6-9 & Proverbs 22:6. How are we to teach our children about God's ways that lead to a flourishing life? Share ways that helped train up your children to love God and love others.
5. Read Joshua 24:14-15. As a family, what are some of the "gods" we can put away today, so we are better able to serve the Lord? Based on this passage, write out and then share a life vision for your family.
6. What are you hearing from the Holy Spirit right now?

NEXT STEPS

7. What will you do with this new truth or spiritual insight that has been revealed by the Holy Spirit?
8. Please make time to pray together.
