

Discussion Questions

INTRODUCTION

Life requires money. Therefore, any discussion of abundant life must include a discussion about our finances. How does God view our financial affairs and what is His role? Do we trust Him? Avoid Him? Do we keep discussions of faith and money far apart? This series will challenge us to consider how we view God and our money.

GETTING STARTED

1. How excited are you to talk about your money? Why?
2. What do you currently believe about God and money?

BIBLE IDEA

3. Read Genesis 12:2-3, Psalm 1, & John 10:10. What do these verses tell you about God's intentions towards you?
4. How do you define the word "blessing?" What does blessing look like?
5. How would you describe God's intention toward your finances? What verses would you reference to support this?

NEXT STEPS

6. How close or how far away do you feel from God's blessing on your finances? What direction do you need to go with regard to your money?
7. What do you hope will happen during this message series on finances?
