## **INTRODUCTION**

Christianity is a movement. From the beginning, the movement spread like a virus from person to person, through the sharing of stories. This message will describe what an infectious church looks like and how individual believers can influence people outside their circle.

## **GETTING STARTED**

1. Describe a “craze” that you’ve seen sweep the culture? What was it and how did it spread? If you got hooked, describe how.
2. Who was instrumental in you coming to faith? What did they do and how did it impact you?

## **BIBLE IDEA**

3. Read Acts 1:8. How have you experienced the Holy Spirit’s power? What excites you about this verse? What scares you? Is there anything you don’t understand?
4. If you had 30 seconds to share your infection story...what would you say?
5. How passionate are you about sharing your faith? Rate it on a scale of 1 to 10 with one being, “not passionate”, and 10 being, “white hot passionate.” Are you satisfied with your current level?

## **NEXT STEPS**

6. What can you do to be more infectious in your faith?
7. Who is someone that you can be praying for?

Acts 1: 6-8

"So when they had come together, they asked him, "Lord, will you at this time restore the kingdom of Israel?" 7 He said to them, "It is now for you to know the times or seasons that the Father has fixed by his own authority. 8 But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth."
