INTRODUCTION

Did you know that God is working in ways you could never imagine - even in those tough situations. God is at work all around you! Our assignment is to find out what God is doing and get on board!

GETTING STARTED

1. Write down some interesting events that happened around the world last week? Why were they of interest to you? Compare your list with someone else. Why do you think the lists are different or the same?
2. Think about a company you like. What do you think their company vision is? In what ways does this match your personal vision?

BIBLE IDEA

3. Read Revelation 3:1-3. What does John tell the church in Sardis to repent from? How is the church in Sardis like us today?
4. Google some of the wicked things Emperor Nero did to his people? Now read 1 Peter 2:11-17. Why do you think Peter instructed believers to submit and honor such a brutal leader? (vs. 15)
5. Read 1 Peter 3:8-12. Based on this passage, how can you endure temporary hardship well? Since God is working in ways we can never imagine, what truth can you glean from verse 12?

NEXT STEPS

6. When you get discouraged this week, remind yourself about what God has done to help you in the past. How will repeatedly doing this little exercise strengthen your faith?
7. Share three ways God is working around you. This week, how will you step into the middle of where He is?
