

Discussion Questions

INTRODUCTION

How would your future be improved if you knew for sure that your greatest needs could be fulfilled by Jesus?

GETTING STARTED

1. Rank the top five greatest needs in a person's life. Discuss your list with the others in the group.

BIBLE IDEA

2. Read Isaiah 6:1-5. Why do you think the seraphim proclaimed 'Holy' three times? Why did Isaiah respond to God the way he did (vs. 5)?
3. Read 1 John 1:8-10. What four consequences will we encounter if we claim to be without sin (vs. 8 & 10)? What will the Lord do **in us** if we confess our sins (vs. 9)? Talk about a time when the Lord washed your sins away.
4. Read Isaiah 64:8 & Isaiah 6:7-8. What was Isaiah's deepest need? How do you relate to this? What's your story of redemption?
5. Read Isaiah 6:8. What happened once Isaiah realized he was forgiven? What are some possible causes for people turning away from God's call? Share about a time when you turned away from God's calling & how He led you back.
6. Read John 14:16-17 & Acts 1:8. What is Jesus promising to His disciples (John 14:17)? What is the main reason we are given the power of the Holy Spirit (Acts 1:8)? What does 'being my witness' look like in your life? Specifically, where is the Lord leading you to be a witness as you are called?

NEXT STEPS

7. How does knowing you're forgiven empower your calling? What one step will you take this week to get even closer to your calling?
