Our Mission

Love God

Love People

Make Disciples

OUR VISION

By God's grace, we hope to become:

A church that will do anything for Jesus.

A church that faithfully teaches the Bible even when it's unpopular.

A church that loves one another deeply and daily.

A church that is rich in good deeds.

A church that joyfully shares the Gospel in our homes and on the streets.

A church that reaches the ones no else is reaching.

A church where Gospel-unity tears down walls of hostility.

A church that equips people to live well and love well.

A church that empowers people to discover and pursue their “everyday mission”.

A church that trains people to become disciples who make disciples.

A church that launches the next generation into full-time vocational ministry.
