

The Principle of Multiplication
October 30, 2022
Pastor Lane Olson
New Song Community Church

Text: Mark 6:35-44 (NLT)

A. Three principles of multiplication.

1. It has to be blessed before it can multiply...Jesus wants to multiple our resources.
2. It has to be given away before it can multiply.

Luke 6:38 (NLT)

3. Giving over and above the tithe is really what opens the windows of heaven.
 - i. Tithing is returning.
 - ii. In your giving, your gift will be multiplied back to you.

B. Positioning yourself to be blessed.

1. Get out of debt....as God directs you to.

Romans 13:8 (NLT)

2. Don't manipulate people to meet your needs.
3. Ask God to give you the gift of extravagant giving. (King Solomon)

1 Kings 3:4-5 (NLT)

Next Steps: Today I am:

1. Committing my life to God.
2. Making the commitment to begin tithing.
3. Committing myself to give by faith as God directs me to.
4. Asking God to help me to be an extravagant giver.
