Text: I Kings 18:41-46

Truth in a nutshell: Three ways to seed the clouds.

1. Prophetic imagination.
2. Patient persistence.
3. Bold prayers.

A. Who are we listening to?

1. The noise of the culture can overwhelm the voice of the Holy Spirit.
2. Negative thoughts.

Who are you listening to? God or Man?

3. Divine revelation from scripture turns up the volume of the voice of the Lord. (**Romans 12:2**)
4. God will speak to you if you will seek his face. (**Matt 6:33**)

B. Seeding the Clouds: A word from God changes everything.

1. Prophetic prayer/fresh Vision from God.
 - i. Seeing the invisible.
 - ii. Hear the inaudible.
 - iii. Believing the impossible.

2. God ideas are released when you are tuned in to his voice.
3. Persistent prayer. Never give up on your vision.
4. Continue to dream (**Ps 126:1**)

C. Prophetic Imagination.

1. Continue to seed the clouds to the 3rd and 4th generation.
2. Patient persistence.
3. Pray Big Bold prayers. Take a risk for God. Your life is not your own.

Luke 9:23-24 NLT

4. Ask God for his presence above all else.

Next Steps: Today I am:

1. Committing my life to Christ.
2. Asking God to help me pray prophetic prayers.
3. Committed to seeking God's presence above all else.
4. Asking God to help me seed the clouds down to the 3rd and 4th generations.
