Text: Joshua 3:1-5 (NLT)

3 Principles: Preparing for a miracle.

A. Willingness to wait on God, and follow His lead.

1. Jordan was at flood stage...up to a mile wide. Insurmountable obstacle...always an obstacle.
2. Miracles are not miracles unless they are miraculous.
3. Faith and trust in God releases the miraculous.
4. Your present is preparing you for your future.
5. Waiting on God.
 - i. The presence of God is everything.
 - ii. Sensitize my heart to God's voice.
 - iii. Check that thought.

B. Consecrate yourselves.

1. Set apart from anything that would separate you from God.
2. Value Holiness.

2 Corinthians 6:17-18 (NLT)

2 Corinthians 7:1 (NLT)

2 Timothy 2:20-21 (NLT)

Hebrews 12:14 (NIV)

3. Make the choice to avoid anything that would hinder my relationship with God.

C. Movement sets you up for a miracle

1. Jordan doesn't part until they move.
2. Movement requires Faith (Get your feet wet).
3. Where do you need a miracle?

Next Steps: Today I am:

1. Committing / recommitting my life to Christ.
2. Committing myself to vigorously pursue His presence.
3. Asking God to stretch my faith.
4. Asking God to help me get my feet wet.
