Text: Zechariah 4:6 (NKJV)

The Game Plan:

A. Everyone should get involved in ministry because:

1. Because God created us to be involved in reaching people for Christ.
2. You learn that you walk in *delegated authority*.
3. Life is fulfilling when you are doing something that matters beyond your life time.
4. Our reward in heaven is based on faithfulness.

B. When serving the Lord in Ministry we need to:

1. Give it everything you've got.

Ephesians 6:7-8 (NIV)

Matthew 25:23 (NLT)

2. Stay where God has planted us.
3. Not wait until everything is in place, but rather get started with what you have.

C. The anointing flows to the need: Saul anointed first King of Israel.

1. When you step into an area of ministry, God will always increase His power in your life.

I Samuel 10:1-2 & 6 (NLT)

2. What you couldn't do before, you can do now.

3. God supplies all the resources needed.
4. God invites us to live in the Supernatural Zone!

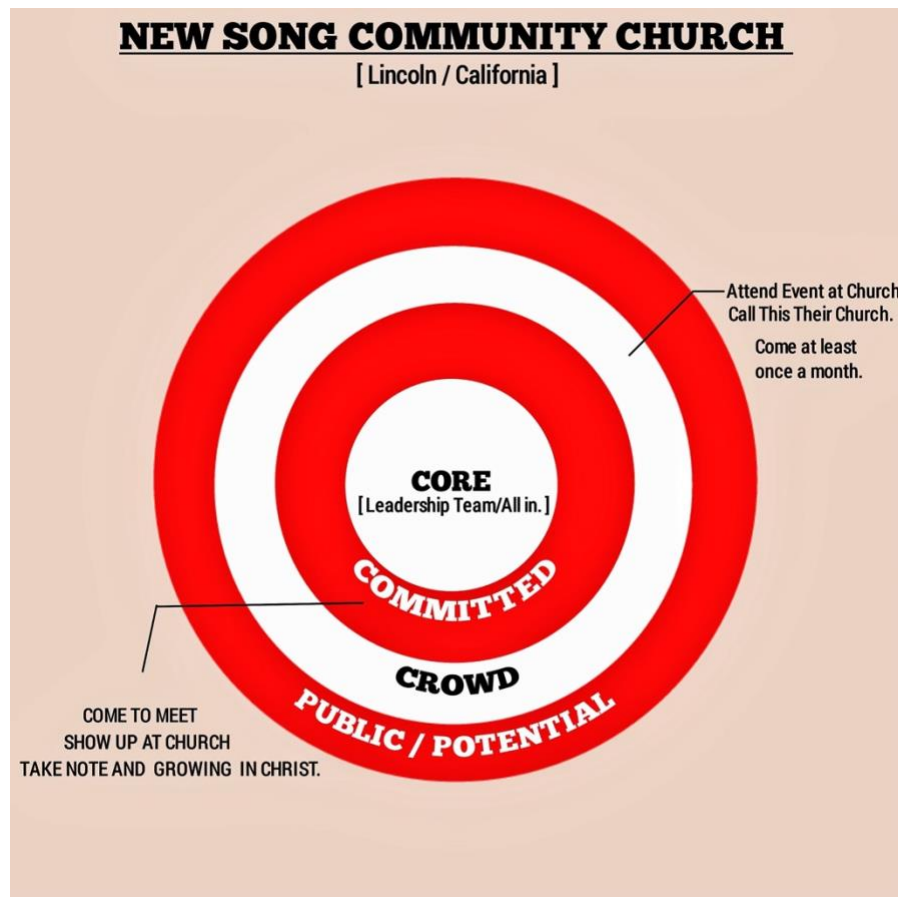

D. David anointed second King of Israel.

1. God uses our past to prepare us for our future.
2. When he was anointed King, this was just another step that God had prepared him for.
3. For every greater task, there is a greater anointing.

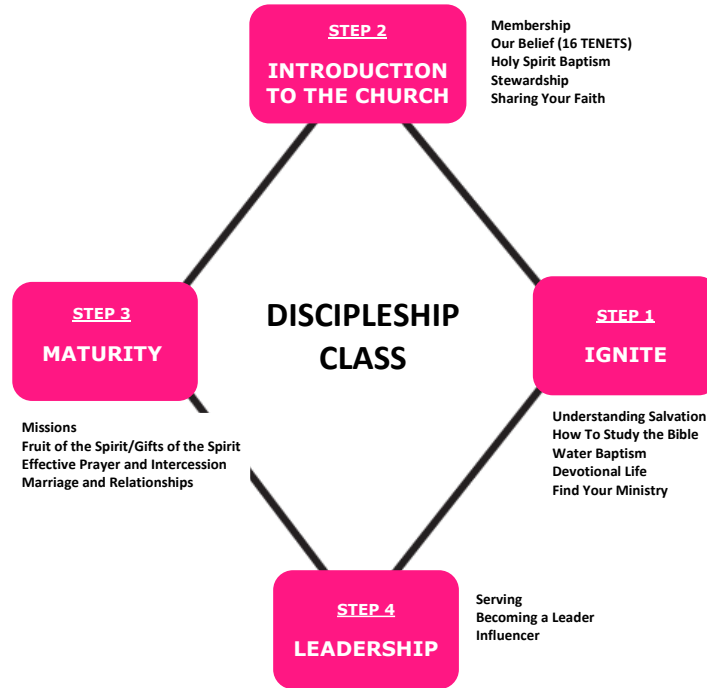

I Samuel 16:13 (NLT)

4. That anointing not only affects you, but those around you as well.
