Text: Luke 4:40-41 (NLT)

Note: Jesus is still performing miracles on behalf of those who believe in Him.

A. In Terms of healing

1. This is the pattern of healing in Jesus ministry - All were healed.
2. We need to believe that God wants to heal us.
3. The prayer of faith moves the hand of God.
4. Jesus promised greater things: In Terms of the Call to service.

Luke 5:1-3 (NLT)

B. Jesus used what was available.

Luke 5:4-5 (NLT)

C. Don't let your past dictate your future.

1. They fished all night and caught nothing.
2. Different results when following God's instructions.
3. God is still doing the miraculous.

D. God's abundant provision.

Luke 5:6-7 (NLT)

1. His supply is always more than enough.

Luke 5:8-10 (NLT)

2. They all recognized that only God could have done this.

3. Peter recognized that, he needed God's forgiveness and a fresh start.

E. God's call to service.

Luke 5:10b-11 (NLT)

1. The ability to serve the Lord does not come from within us.
2. God will provide all the resources that are needed.
3. God's call to service is always to *more* than you can ever imagine.
4. God is still doing the miraculous.

Next Steps: Today I am:

1. Committing my life to Christ
2. Believing God for my miracle of provision
3. Answering the call to be "all In" for God
4. Asking God for confirmation of my call to service
