**Text: Joshua 10:1-6 (NLT)**

**Note:** Three things that we have to do if we want to see God do big things in our life.

**A. Believe God for Big things:**

**Joshua 10:7-8 (NLT)**

1. Joshua, before he is going into battle, is hearing a word from God.
2. He positioned himself to hear from God (Gilgal).
  - i. A word from God will always come out of your time with God.
3. People don't hear from God because: they think too much about what they don't have.
  - i. Don't look at your circumstances and take your cue from them.
  - ii. Don't be too given to thinking about what we see rather than what we hear from God.
4. Q. How big is your God?

**B. You may have to Battle for Big Things:**

**Joshua 10:7-9 (NLT)**

1. Sometimes faith requires a fight.

**Joshua 10:10-11 (NLT)**

- i. Sometimes if you want God to move, you have to move.

**Joshua 10:12-14 (NLT)**

- ii. Faith unexpressed will die: we need to speak our faith.
2. We need to pray, but we need to do more than pray, we need to take action.
3. If God will do what He said He will do, then you will have faith to believe His word when you are asking for what you need.

## **Ephesians 3:20 (NIV 84)**

### **Next Steps. Today I am:**

1. Committing my life to Christ
2. Asking God to Help me hear God's voice
3. Asking God to increase my Faith
4. Believing God for the Big thing\_\_\_\_\_
