It Won't Always Be Like This

Text: Ps 126:1-6 (KJV)

A. “When The Lord Turned their Captivity”

1. It won't always be like this.
2. We are on God's time line.
3. How it is now...is not how its going to be.
4. The Lord himself will perfect that which concerns me. (Ps 138:8)

B. The Lord is the one who turns our Captivity.

1. It is not a cultural or political change.
2. It is not about something we can do that will make the difference.
3. God put it in Cyrus's mind to release the Captives.

C. We will be like “Them who dream”.

1. Almost too good to be true.
2. When God turns our Captivity, He will give us the ability to Dream again.
3. When we stop doing what we “can do” (boring) and start doing what we were created to do is when life becomes fulfilling.

D. God will give us the ability to laugh again.

1. You can be wounded so deeply that it can seem like you will never be happy again.
2. Out of the heart the mouth speaks (Luke 6:45).
3. Joy is important (Neh 8:10) *the joy of the Lord is your strength.*
4. The Lord loves joyful songs.

Psalm 100:1-6

E. Fresh Song to Sing.

1. God turns your Sorrow into Joy.

He will give us a new song... Ps 40:1-3

F. The has done great things for them.

1. Even the heathen...would see it and say God has done great things for them.
2. God wants to do great things for you as well.

Next Steps: Today I am:

1. Committing my life to Christ.
2. Believing God to turn it around for me.
3. Asking God to give me back my joy
4. Believing that God is restoring my dreams.
